CASTORIA. The Kind You Have Always Bought

Quite a deal of correspondence is crowded out of this issue on account of the typesetting machines being frozen up. It will be published as soon as machines are in order.

Humors Come to the Surface

The unusually heavy fall of the "beautiful" Sunday was hailed with acclamations of joy by the girls and boys who proceeded to pelt each other with snow balls at each and every opportunity, nor was the pastime confined to the younger set for several of the older growth pelted each other in lively style. The snow was of ideal quality for snow-balling and several tons of it were buried. Those who put up a bluff of getting mad, received a still heavier benediction until it looked as if a snow slide had fallen on their devoted heads, and couples who were "spoony" were quite frequently observed eating snow together and talking—well, politics.

The scratch of a pin may cause the loss of a limb or even death when blood poisoning results from the injury. All danger of this may be avoided, however, by promptly applying Chamberlain's Pain Balm. Sick Blood

Feed pale girls on Scott's Emulsion.

We do not need to give all the reasons why Scott's Emulsion restores the strength and flesh and color of good health to those who suffer from sick blood.

The fact that it is the best preparation of Cod Liver Oil, rich in nutrition, full of healthy stimulation is a suggestion as to why it does what it does.

Scott's Emulsion presents Cod Liver Oil at its best, fullest in strength, least in taste.

Young women in their "teens" are permanently cured of the peculiar disease of the blood which shows itself in paleness, weakness and nervousness, by regular treatment with Scott's Emulsion.

It is a true blood food and is naturally adapted to the cure of the blood sickness from which so many young women suffer.

We will be glad to send a sample to any sufferer.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

THE SENSATIONS IT CAUSES.

A friend of the News at Jasper contributes the following whimsical remarks about the road bonding. —[Ed.]

Well, after 140 years hard work we have eight nice 9-foot pikes in Marion county, and everybody is happy. Byron Pope's fine Spanish Jack opened up at daylight this morning with the same old song, "fine pikes, fine pikes, fine pikes." J. A. Darr's bald-faced mare trotted down the pike with her boss looking happy and shaking hands and saying, "I have plenty of corn for her thank you." The price of Peruna has been advanced 25c, and to say, Vol Walker's jacks are in a long trot bringing in three sticks at a load.

South Pittsburg and the Gizzard was in full force. The tall sycamore J. P. of the Gizzard told the court what Wm. Penn, Daniel Boone, Abraham and Isaac said about good roads and proved it by the "dad lam" J. P. of South Pittsburg, and that settled the question.

T. A. Havron, J. P., Elector for Graver Cleveland, made the best speech of all, and all he said was "I am for bonds." E. O. Raulston, the cyclone of South Pittsburg, told them was is to be will be, and we will "jot vote."

B. F. Wilson of Franklin County, told the people how to raise hay and thunder on the pikes. He made the people believe that the T. C. I. Co. wanted to haul their furnace to the Gizzard as soon as the pikes were built.

So you see everybody is happy, but J. G. Kelly and J. W. Simpson. J. T. Boyd is also happy for he is sure he will sell his farm to the pikes for a place of refuge for the poor taxpayers who didn't want the pikes.

Hoping to see you coming down in your rubber-tired buggy soon I remain, Simon.

When you feel blue and that everything goes wrong, take a dose of Chamberlain's Stomach and Liver Tablets. They will cleanse and invigorate your stomach, regulate your bowels, give you a relish for your food and make you feel that in this old world is a good place to live. For sale by Caldwell & Chaudoin and Whitwell Drug Co., Whitwell.

Died at Petros.

PETROS, Tenn., Jan. 31.—Special.—W. H. Walker died very suddenly of heart failure at the home of his daughter, Mrs. Dr. Smith, Jan. 29. He had been in declining health for some time, but his sudden demise caused a painful shock to the entire town.

Mr. Walker had been offered a lucrative position in the state school here, but his poor health prevented him from accepting. His remains were taken to the family burying ground near Dunlap for interment. A number of friends accompanied the remains from here to Harriman.

Candidate for Trustee.

Dan T. Thach, of Kimball, announces his candidacy for office of Trustee of Marion county this week. It is not necessary to say anything in relation to Mr. Thach as the people all know him, and his previous experience as a county officer makes him more available this time.
